

For overseas runners who want to participate in the 2020 Sakura Michi Kokusai Nature Run.

2020 Sakuramichi International Nature Run Executive Committee Secretariat

Hello, Thank you for your understanding and support for the annual Sakura Michi Kokusai Nature Run.

Currently, the race executive committee is preparing for the 2020 race, but due to various circumstances, the system for accepting overseas runners as usual has become impossible. It is difficult to communicate enough with overseas runners, and it is expected that safety cannot be ensured during the harsh race. In addition, we are unable to provide support for daily living during the stay in Japan, such as securing accommodations until the day before the race.

For the 2020 race, only those who can sufficiently complete all procedures and conversations in Japanese will be accepted for participation. We would like to apologize to the runners who are preparing for this race, but we appreciate your understanding.

The following are the conditions for accepting overseas runners.

<Changes related to event management (2019 → 2020)>

1. Start time changed from 6:00 am to 5:30 am
2. Time limit changed from 36 hours to 35 hours
3. The participation fee changed from 50,000 yen to 55,000 yen

<Change in overseas runner acceptance method>

1. Up until now, "Abram-no-kai", represented by Mr. Ohgo, has accepted overseas runners, but it will be changed to "Sakuramichi Kokusai Nature Run Committee Secretariat" from the 2020 Race.
